

# CONTEMPORARY DOORS

## VB Style

Our contemporary doors are made from solid wood. They are supplied pre-hung into the frame with a Secured by Design locking system, handles and a full factory stain or paint finish

JE  
[doormaker.co.uk](http://doormaker.co.uk)

All our products are made to measure in our own workshop by experienced, skilled bench joiners using highest quality solid wood (no veneers). Many other types of contemporary and traditional doors (and windows) are available see our website
